TRANSPARENT COHABITATION

CHAPTER 48 [EXTRA]

HUGE THANK YOU TO MYSTIC FROM MYSTIC SCANLATIONS FOR HELPING TRANSLATE THIS WONDERFUL SERIES, YOU'RE A CHAMP!

Hello. I'm Jung Soo.

To think I'm writing an epilogue after finishing my debut work "Transparent Cohabitation"!

I Feel relieved,

But also a bit unsatisfied when thinking about the times I couldn't concentrate.

I can still Feel affection From these dissatisfactions as well.

Charles M Schulz, the writer For "Peanuts", said this at the end of his comic.

"How could I ever Forget Charlie Brown, Snoopy, Linus, and Lucy?"

Although Peanuts was serialized For 50 years, this was also something I wanted to say when I Finished my work.

The people that haven't left my mind For a day since the 2015 College Manhwa Competition,

So Yeon and Go Jun.

How could I Forget you two!

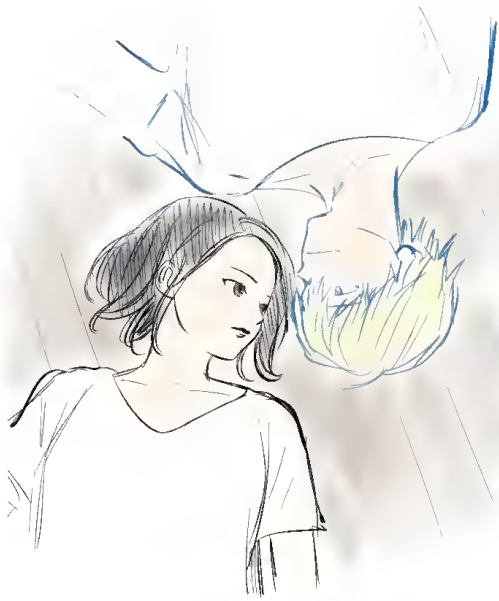
I also can't Forget Choe Dong Soo, Jang Mi Soo, Song Hyoung, and Soo Min Hee!

I was extremely lucky to debut with "Transparent Cohabitation".

I created them, but I wanted to have a good ending for these two characters that pulled me along.

The So Yeori who can longer see ghosts will continue to feel Go Jun's traces as she looks at the world around her now.

Whether it's always, occasionally, or once in a while, she'll probably remember him for the rest of her life. But when he pops up in her mind, she won't feel pain.



Because Go Jun was a good turning point for So Yeori.

She'll remember him as a good memory.

Since it was a good experience, it will nourish her.

Even though I say this, those who wanted them to end up together will probably think this was a bitter ending.

Particularly, there were people that were not satisfied that Go Jun's last words were "thank you" instead of "I love you".

If it was Go Jun, he would be thinking for So Yeon's sake until the end.

And so I thought that "thank you" was the closest thing to say to the person you loved in order to give them the strength to live on.

If love had a part,

I also think that thankfulness was a root in their love.

Romance is romance, but not giving them a proper kiss scene by the end is too mean
Spirit marriage!
I give permission to make the storyline crazy
Com a to se
Kill So Yeo

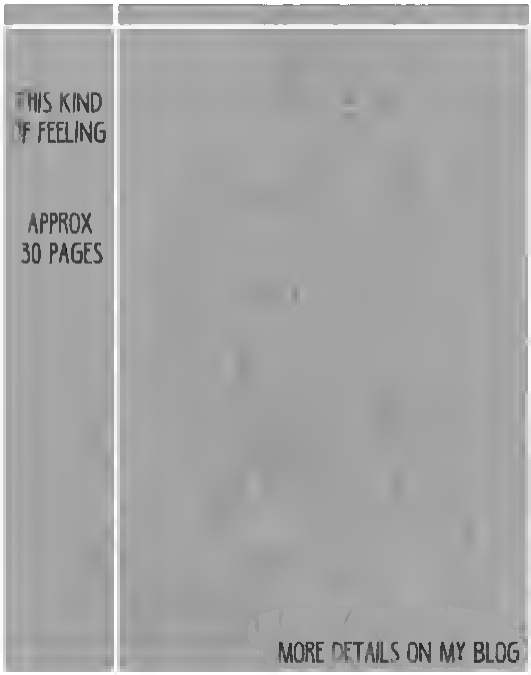
To be honest, I also found drawing the love between a living person and a dead person difficult.

Although I don't have regrets on not changing my route and putting the message I wanted
As a writer, call it a personal dissatisfaction

And so,

In the 3rd volume of Transparent Cohabitation,

I prepared a special supplement



I hope that this would be a good present to

those who were left dissatisfied

To the many people who stayed with me until the end of Transparent Cohabitation,
